1. The following is a quotation of the appropriate paragraphs of 35

U.S.C. 102 that form the basis for the rejections under this section made in this

Office action:

A person shall be entitled to a patent unless –

2. (e) the invention was described in (1) an application for patent, published under section 122(b), by another filed in the United States before the invention by the applicant for patent or (2) a patent granted on an application for patent by another filed in the United States before the invention by the applicant for patent, except that an international application filed under the treaty defined in section 351(a) shall have the effects for purposes of this subsection of an application filed in the United States only if the international application designated the United States and was published under Article 21(2) of such treaty in the English language.

3. Claims 39-46 are rejected under 35 U.S.C. 102(e) as being anticipated by Johnston '170.

See Abstract, column 3, lines 1-67; column 4, lines 1-67.

The amendments and remarks filed by applicants on January 13, 2002 have been fully considered.

Claims 1-38, 47-69 have been allowed in view of the applicants arguments and amendments.

Claims 39-46, however, remain unpatentable in view of the new grounds of rejections.

Any inquiry concerning this communication should be directed to Lesek Kiliman at telephone number 703-308-2373.
